

NKECHI OGBUJI

Cloud & DevOps Engineer | AWS | Azure | Kubernetes | Terraform | CI/CD | GitOps | AI Automation | Claude Code

Nigeria | nkechiogbuji13@gmail.com | +234 803 757 7372 | linkedin.com/in/nkechiogbuji13

PROFESSIONAL SUMMARY

Cloud & DevOps Engineer with hands-on experience building, deploying, and automating cloud-native infrastructure using AWS, Azure, Kubernetes, Terraform, Docker, GitHub Actions, and Argo CD. I bring a strong operations and administrative background into engineering work, with practical experience in documentation, stakeholder communication, process improvement, and remote collaboration.

Currently developing AI-assisted DevOps workflows using Claude Code and automation tools to speed up infrastructure scripting, documentation, troubleshooting, deployment planning, and cloud-native delivery.

TECHNICAL SKILLS

Cloud Platforms AWS, Microsoft Azure	Containers & Orchestration Docker, Kubernetes, Amazon EKS
Infrastructure as Code Terraform, Helm	CI/CD & GitOps GitHub Actions, Azure DevOps, Argo CD, GitOps
Monitoring & Operations Prometheus, Grafana, Linux, Ubuntu, Nginx	Security & Networking IAM, Entra ID, DNS, SSL/TLS, Reverse Proxy
AI Automation Claude Code, AI-assisted development, DevOps automation, technical documentation	Version Control Git, GitHub, YAML, Bash

PROJECT EXPERIENCE

Production-Ready AWS EKS Microservices Platform

Technologies: AWS EKS, Kubernetes, Terraform, Docker, GitHub Actions, Argo CD, External Secrets, Prometheus, Grafana

- Deployed a cloud-native microservices platform on Amazon EKS and supported production-style rollout activities.
- Implemented GitOps workflows with Argo CD and CI/CD automation using GitHub Actions.
- Configured ingress routing, secure secret management, service dependencies, and monitoring with Prometheus and Grafana.

Azure Cloud Infrastructure Deployment

Technologies: Azure, Terraform, Docker, Linux, Nginx, SSL/TLS

- Provisioned Azure infrastructure using Terraform and deployed containerized applications on Linux.
- Configured Nginx reverse proxy, HTTPS, networking rules, and deployment documentation.

AI-Assisted DevOps Automation Workflow

Technologies: Claude Code, GitHub, Bash, YAML, Terraform, Kubernetes

- Used Claude Code to support faster infrastructure scripting, DevOps documentation, troubleshooting, and workflow planning.
- Applied AI-assisted development practices to improve clarity, reduce repetitive work, and speed up cloud and DevOps delivery tasks.

PROFESSIONAL TRAINING & CERTIFICATIONS

DevOps Micro-Internship Program (DMI Cohort 2) | Cloud & DevOps Engineer Intern | 2026

- Hands-on internship covering AWS, Azure, Kubernetes, Docker, Terraform, GitHub Actions, Argo CD, GitOps, monitoring, cloud security, and production deployments.
- Capstone: Spring PetClinic Microservices Platform deployed on AWS EKS with GitOps, CI/CD, observability, and external secrets management.

DevOps & Cloud Security Certification | Digital Witch Support Community | 2025

- Training focused on AWS, Azure, Linux, Docker, Kubernetes, IAM, Entra ID, CI/CD, infrastructure security, and DevOps automation.

PROFESSIONAL EXPERIENCE

Executive Virtual Assistant | Bridging The Gap of America Inc. | Remote | 2022 - Present

- Managed executive schedules, communications, research, documentation, reporting, and remote operational workflows.
- Coordinated with clients, vendors, and stakeholders while maintaining confidentiality and accuracy in business records.
- Built strong transferable skills in documentation, process organization, stakeholder communication, and task tracking.

Administrative Assistant | Boardergates Travel & Tours Ltd. | Abuja, Nigeria | 2019 - 2022

- Supported daily operations, customer service, record management, internal coordination, and administrative process improvement.
- Handled customer inquiries professionally and maintained accurate information for follow-up and reporting.

Administrative Assistant | Bujik Engineering Limited | Abuja, Nigeria | 2017 - 2019

- Coordinated meetings, schedules, travel arrangements, business correspondence, reports, invoices, and filing systems.
- Supported project coordination and communication with clients, vendors, and internal teams.

Customer Service Representative | Taras Integrated Limited | 2014 - 2016

- Responded to customer inquiries, resolved issues, documented interactions, and supported service improvement efforts.

EDUCATION

B.Sc. Computer Science | Nnamdi Azikiwe University, Awka, Nigeria | 2007

ADDITIONAL STRENGTHS

Technical documentation | Problem solving | Remote collaboration | Stakeholder communication | Process improvement | Attention to detail | Continuous learning
